Speaking Where The Bible Speaks; Silent Where The Bible Is Silent

 Dear Precious
 Brother and
 Sister Joe
 Holloway;
 Brothers and
 Sisters in
 Christ,
 Salutes to you
 all. We are very
 happy to inform

you the wonderful thing you did for the Lord's work in Ambajipeta area. India. One Brother called Carlos Peralta helped us to present a Second hand Bicycle to one of our Poor Preachers and Evangelists this week. Brother Suryanarayana an Evangelist was

given the Bicycle. He used to ride a Hired Bicycle before. Now he is free to use his own Bicycle given to him. Now he can save the rent amount and can use it for his poor family. We are grateful to Brother Carlos for sending us help the poor Lord's people here with us. A second hand used Bicycle in good condition costs about \$50. Fifty Dollars each Sirs. We are greatly indebted to you who are helping for the greatest Lord's work here in need. God Bless you and be with you always. Amen!

Yours least and loving Brother for Christ,
Chinta.

Hello brother Holloway,

Greetings. You might have heard of the blast in the city of Kaduna. It is about 200km away from Jos. We are alright even though the security situation was tensed today in Jos town. Keep us in prayers as well. Two of my wife's sisters are on admission in the hospital. Two of them were admitted the same day. One of them fainted in the early hours of Tuesday; we rushed her to hospital, and she was resuscitated, even though she has lost her 7 month old pregnancy. But the shock of that incident knocked down their senior sister who was there. Her BP went as far as 250/128. We thought she won't make it. But as God has His ways, she started talking yesterday. The other one who lost her baby is still in the serious situation. The baby in not yet evacuated as she has not regain much consciousness. Please, do keep them in prayers for me. My regards to Donna, Mom, Dad, and the entire body of Christ.

Grace and Peace,

Tom

Dear Joe:

Daddy and Mom left on Thursday to go back home to Lakeland, Florida. Yesterday, Daddy was bringing some groceries up their mobile home steps and got off balance. He fell backwards and cut the back of his head on something on the porch. Mom called the paramedics and they took him to Lakeland Regional Medical Center to the ER to be checked out. He was coherent and laughing and joking with the paramedics. They put two stitches in the back of his head. They decided to do a cat scan to thoroughly check him out. The radiologist report found a mass on his lung and said that he had lung cancer. They will be doing a biopsy in the next day or two. We are very saddened by this news and we are asking for the prayers of the Ellabell Church of Christ. If anyone would like to write or call the information is below:
