Speaking Where The Bible Speaks; Silent Where The Bible Is Silent March 2, 2014

Dear Ladies,
 Know that many of you are having very cold weather. I wish you all health and a good place to stay warm. We have had mild weather with lots and lots of rain. It is to get colder here in Jan. but I still have flowers in the window boxes.
 James has had several meals with us and we have had from Scotland Tommy and Pamela Maxwell from about the 30th of Nov. till the 6th of January. They helped us so much with the church work and website. We are truly grateful! We almost had visitors from Mason, but that didn't work out so we were sad that they couldn't come. Edie and Paul Tews visited and worshipped with us around Thanksgiving time too.
 David and Minda Pellegrini were here for a visit and meal on Dec 16th.
 My studies with Kenza will start again in Jan. as she has some training that she has to go to for schooling. Amelie and I are to start up soon too. The man with his two younger children never came for the scheduled studies. I have been caring some for Lily Rose and Gabrielle every Wednesday and Thursdays while the parents work.

We have fun painting our fingernails and doing homework with Lily who is a very good student. Emmanuel seems to be having a good year at school too. Gabrielle and a little boy got in trouble for cutting each other's hair at school. Gabrielle came home one day and said to her Mother, "I didn't even get punished today!" Her teacher says she is a wiggle worm at school. She is learning lots of new things and doing ok.

Christiane ninety years old is in the hospital as she reacted to her medicine and immune system shut down. She is doing better now and will go into a home in January. I haven't seen her since I took her to the hospital by ambulance. In fact we were at two hospitals that night as they were both filled up. I left the hospital by taxi and got home that morning at 1:30. Was tired the next day but glad she was where she could be cared for.

I didn't go anywhere for Thanksgiving this year as Roland was gone to the preacher's meeting. We were with Rose Mary and family and friend Josiane for Xmas. I cooked to capon and stuffed it, then made the gravy to go with Rose Mary's good mashed potatoes. She and Manu made homemade "foie gras" and it was delicious. Rose Mary made four small desserts and we are blessed to have good food and family here. We went back on the 25th to eat left overs. We all had a nice time opening presents on the night of the 24th.

On New Year's Eve with the church gathering with their friends we were about 200 and Rose Mary organized it this year and did a good job. Our friends Lionel and Cecile Cocherel were there and spent the night at our place and I taught Cecile how to play Skip Bo. She liked it so much that she bought them a game and wants us to come visit them. Lionel asked some questions on the Church so I was able to get the Bible and show him some verses on various things before we went down to the party as I was watching a farm grown chicken that I stuffed for Rose Mary and I also had a big pan of thighs and chicken legs cooking. We sang, ate, played games and it was good and went by quickly. Was a joy to see so many having good clean fun.

I happily was able to give some crocheted afghans, baby blankets and smaller items as gifts this year.

Special thanks to all the brethren in Decatur and Baird, TX., Valdosta in Al. and John Black in TX for their extra help in our support. We send thanks from our hearts for your love and care of us and the Lord's Work in Paris and in the French World. We are

grateful for so many thousands of contacts in so many countries over the internet. Soon one of them from France will be immersed into Christ by Roland. We are thankful for his open heart to study God's Word and wanting to obey the Lord. We are grateful to all of you who love and support us in the Lord's Work and pray for you often.

Several have been hit by a stomach bug here but we have been pretty good here except for mostly bad colds. The humidity from the rain is hard on Mr Arthritis but that isn't new. Pray for the Charles White family and for the Voltaire families.

Your Rose in Paris
