Golf and Church

One man came out of his house on his way to worship one Sunday morning, just as his neighbor came out and said “Henry, come play

golf with me today.” Henry with an expression of self-righteous horror, replied, “This is the Lord’s day, and I go to worship. Certainly I would not play golf with you.”

After a moment’s embarrassed silence the golfer quietly replied, “ You know, Henry I have often

wondered about your church, and I have admired your fidelity. You know, however, that this is the seventh time I have invited you to play golf with me and you...

have **never** invited me to go to church with you.”

When is the last time you invited your neighbor?

He[Jesus] said to them, Go into all the world and preach the good news to all creation.

IM FROM NIGERIA (NOV 25, 2011)

It was good hearing you again. I am sorry, the net work is pretty poor over this side. However, I thank God that we spoke again. I was saying that there was some disturbances some 25KM away from Jos. The security operatives are up and doing that the civil disturbances does not escalate into Jos. But I learn several Christians were murdered and the homes burnt
