Speaking Where The Bible Speaks; Silent Where The Bible Is Silent

REPORT FOR THE MONTH OF MAY 2011 (TOM EK POT JR)

Greetings to you all in the precious name of our Lord and Savior, Jesus Christ. I am especially grateful to God for all your

concerns and prayers for us in Africa.

Brethren, whatever the case may be, it is never a waste to do good. The month of May was really a busy time for me. It started with the 9 day campaign in Otukpo, Benue

Otukpo Church of Christ

State, which accidentally turned out to be 10 days campaign. Hundreds of people were reacted with the Gospel of Christ through door knocking and open air preaching. I went down to Otukpo with 6 of my students and another Staff to start the work there in Otukpo. After few days

New Convert at Otykpo-Benue State

Steve Worley, Jim Chanblee all of Savannah Church of Christ, TN, and Cox also of TN came to join with us. At the end of the exercise, 14 people were baptized and one person was restored to Christ. It was one of such moments

that my mind was made to feel again the need of people for salvation. I am so happy because the people are continuing in faith and are growing. I am calling them on weekly basis to know how they are doing.

Our 20th Graduation exercise came up on 14th of May. It was well attended. I thank God for His grace. It is interesting to teach people for 2, 3, or 4 years, and they are ready to go and preach the

gospel of Christ. Our 8th annual lectureship was from 16th-19th May. Several people came for the program, yet the attendance was not much encouraging as we thought. Well, I understand with them because of the incessant crisis in Jos. Many people are skeptical of coming to Jos. Some speakers who accepted coming called at the dying minute to regret that they won't be coming again because their congregations refused them coming to Jos. We thank God because for the few days we hosted those who came, nothing happened. They returned safely to their homes.

Last week, 27th May I left to upper Cross River State to speak in the lectureship organized by the Church in Okpoma in

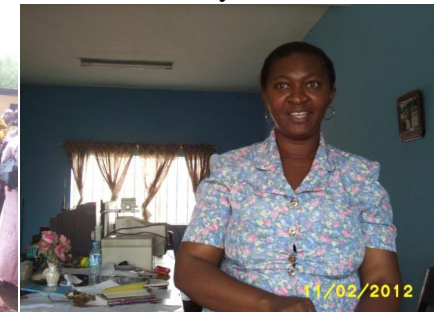

Marriage Seminar at Cross River State

Cross River State. It was a program for the church leaders. It hammered on maintaining strong marriage. Of course, the devil has blown his wind of destruction against families to destroy their marriages. It is important they

realize again the need to sustain their marriages if they will win the world for Christ. Please, continue pray for us. We appreciate you all for your sacrifices. God bless you all.
