# ELLABELL CHURCH OF CHRIST

Speaking Where The Bible Speaks; Silent Where The Bible Is Silent  
April 3, 2011

**Email from Simon in Cameroon (received March 28, 2011)**

Dearest beloved,

We have had one of the apartments in the house of my mother burnt where one Christian family lived.

Indeed, my mother has given for a while her house to the church for worship and one widower with 5 children is staying in, as well as brothers without work. So one family living in one of the 3 apartments (Brother Oliver, the wife sister Yvette together with their 2 children) has lost all their belongings and the apartment needs to be rebuilt because of the higher intensity of the fire that we could not identify the cause until today. It seems as somebody came and put it. The fire started in the living room and spread all over in such a way that the wall has to be broken in the bedroom to have them get out. It was around 11 o'clock pm but we really thank God as all the family succeeded to get out without any injury. The children are troubled together with our brother and sister. So please pray for them and even for all the church. Pray also for God to touch my mother heart so that we could continue to worship in the house and help the Christian needy. She wants for now the brethren to fix the apartment which the estimation of the rebuilding const around 1500 Euros but the couple cannot afford it. Below are the

pictures of the burnt apartment and the family concerned staying in their relatives. Below is the family picture (the brother has a white shirt with his family by his right)

In Christ,  
Simon

Most all of you remember Brother Simon as the minister who worked with Roland and Rose in Paris until the French government denied his visa and he went home to Cameroon. The congregation he speaks of, he started when he got home to Cameroon

This is a tremendous need. The needed 1500 Euros comes to about 2,114.46 US dollars. If any would like to help, The Ellabell Church can get the needed funds to the Church in Cameroon. -Joe

### *Email from Nigeria (rec'd March 29, 2011)*

Hello brother Holloway,  
Greetings to you and the Church. Hope you are doing fine. I have been watching the weather prediction, Atlanta is always down. I know it will begin to warm up the spring season approaches. Thanks so much for the information on my account balance. I will be sending my report soon. Come this Saturday is the first day of election in Nigeria for Senate and house of Representatives. The last day on the 16th of April. There is tension everywhere, as some people are afraid of violence. Many people have started leaving to their home town so that if war erupts, they won't have to run too far. Well, I guess the only thing we can do now is to pray. Please, do keep us in prayers. My regards to all the brethren.  
Grace and Peace,  
Tom
