ELLABELL CHURCH OF CHRIST

SPEAKING WHERE THE BIBLE SPEAKS; SILENT WHERE THE BIBLE IS SILENT

January 22, 2012

I Wish I had a Better Way

If I had silver and gold
 Then I will not wait to be told
 That a man and a church so bold
 Doing the great commission in the Lord's fold
 Deserve a token gift of love that will never grow old
 While it may be factual that this mission was born almost by accident
 But the unique accomplishments recorded so far is almost without
 antecedent
 The Church at Ellabell may never receive any national recognition
 from the president
 But we celebrate you as others do the heroes of freedom who made
 them independent
 Your reward and recognition from God is well planned, never will it be
 a coincident.
 That your labors will not be in vain is a profound truth in which you
 can be confident
 I wish I had a better way to make my love and appreciation for
 Ellabell more evident.

-Abasiana John Archibong

Written to accompany the beautiful map on display

Sir,

Please could you publish the above composition in one of your weekly bulletins? I have sent you a gift of a wooden map of Cameroon. There are two maps in the package: One for you and other for the church. I have also included a miniature Cameroonian flag for you to decorate your office with. Both the map and the flag are my own way of constantly reminding you of the impact your work has made in Cameroon. Your support and coordination of the mission work here has provided many people with the road map to eternal peace with God. I wish the map was made of gold. Nevertheless, this is my own presidential medal of honor to whom honor is due
Sincerely, Abasiama

I believe a poem beautifully written in tribute to the Church of Christ in Ellabell is a first for us. I, for one, am humbled by the gift, the poem, and the giver. –Joe

ROSE'S REPORT FROM PARIS

Dear Ladies,

By the time you get this we will be well into the New Year. I hope that all of you had a nice holiday Season. We did. We are thankful for so many blessings.

We got to talk with Lue Collier from Florida that we hadn't talked to in quite awhile by phone. She was in France with a group.(Oct) Got the girls at school a few tiimes and they spent some Tuesday nights at our house. We always have a good time with them and I make popcorn when I have it. Emmanuel comes to eat lunch with us on school days except for Wednesdays. His baptism Nov 27th,

Dec. 7th baptism of Dorothy Adams

We hope that all of you are rejoicing and praying for the eleven baptized into Christ here in 2011. May the Lord give us many more souls to His Glory in 2012.

We celebrated Thanksgiving with some American sisters in their home with Rose Mary and family also. We had such a good time. My studies continue with Ameilie, Cindy, Natalie and we were able to keep our grandkids during the Christmas break from school in December from the 26th till the 29th. Happy New Year to all and may God bless and keep you. Your Rose in Paris

EMAIL FROM NIGERIA (REC'D JANUARY 18, 2012)

Hello brother Holloway,

Greetings to you, mom, dad and the church. We are doing fine. Thanks so much for your prayers. The one week strike action by Nigerian labour union crippled several things.

Well, we thank God the strike is over, but the effect remains. We cannot move anywhere because gas is not even available. Keep praying for us please. For one about four days there is no bombing in the Northern Nigeria. We pray that this should permanently be resolved. Healthwise, we are doing just fine. My regards to everyone there. God bless you in your good work.

Grace and Peace,

Tom
