ELLABELL CHURCH OF CHRIST

SPEAKING WHERE THE BIBLE SPEAKS; SILENT WHERE THE BIBLE IS SILENT

January 8, 2012

ABASIAMA'S REPORT OF DECEMBER 2011 FROM CAMEROON

Happy New year to everyone in Ellabell, in Statesboro, in Raytown and other partners in the West African Missions network. We have abundant reasons to praise God for all the things he has accomplished in His vineyard in the year 2011.

A cumulative consideration of the achievements of each month of the just ended year, from January to December, brings joy to the world of our West African missions.

About our gospel outreach programs, we are pleased to tell you that the Lord is faithful in keeping His promise to always go with us. December was as busy as usual and we redeemed the time to reach out for the souls of those who do not yet know Him. This outreach program took the form of personal contact on a one-to-one basis and/or broadcasting such as the radio preaching program. All these forms of evangelism are working together to produce the results that keep encouraging us to ride on with our calling despite all odds. Many of our prospects are very interested in the Bible

studies and we have a number of them who are on their way to being immersed into Christ. A very good example is one Mr. Tobias who has made a decision to become one of our number after listening to our preaching for some time. Hopefully, we may have him enlisted on baptism roll in no distant time. Let keep praying for prospects like Tobias that they will come to know the Lord and become a part of His church.

About the Church at Mile, we have reasons to give thanks for the strength the Lord has given us to stand firm in the work He has entrusted to our hands. A look at the year 2011, we have the joy to notice that the congregation has had a great year. We consider ourselves blessed to be fully involved in the Great commission. Many souls have been baptized into Christ. We are successful in many aspects of our labors. Our only impediment is the issue of a place of worship. To tackle this huddle, the building committee has met regularly gathering information on the next step in our quest to have a place of meeting. We have a dream that one day, our visitors will no longer be discouraged by the nature our meeting place. Instead of being hosted in the church building, numerous counseling sessions to assist people cope with life, take place in the preacher's rented house. Notwithstanding, we enjoy great Bible study on Sunday mornings and Wednesday night. Our Continuous benevolence toward the less fortunate around us has made us look more like a family than just a group of religious adherents. We have grown in number and in favor with God and men. It all adds up to a Christian family who love God and their neighbors as themselves.

About your support to us and the orphans, we are eternally thankful to God for you. You have helped us cope with many demands of our duties in the mission of reaching out to those in need of the gospel and its related blessings. Thank you immensely dear donors for supporting us to preach the word o God in Cameroon all these years, and more

especially all the financial support of year 2011 that has been concluded.

And so once again, accept our warmest greetings and most sincere gratitude for standing with us in defense of the gospel. God bless you with a Happy New year!

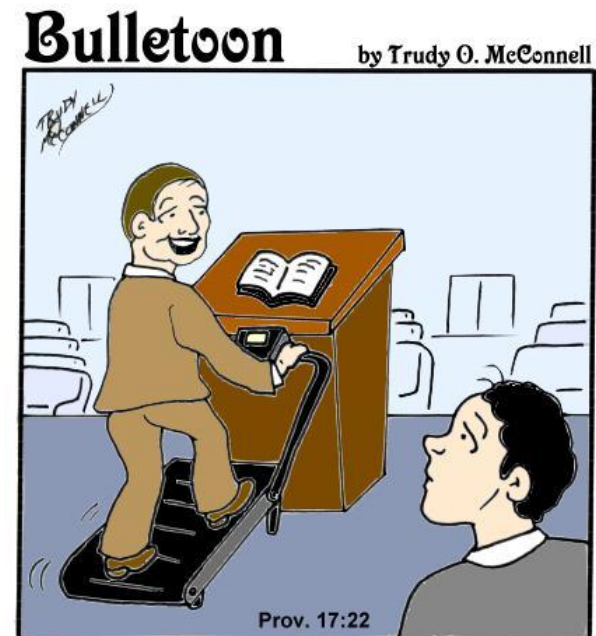

EMAIL FROM NIGERIA REC'D JAN 4 2012

Hello brother Holloway,

Greetings to you and happy new year! Am sorry that I have not sent a line to you since the year begun. It's the problem of internet connection. There have threats and counter threat from Islamic militant and police, that's some people are afraid of opening their businesses. We are fine. The Government raised the gas price by 125%. This alone has destabilized everything. Please say our happy new year greetings to the Church. Thank you so much for the great work you are doing. May God bless you all.

Grace and peace,

Tom
