Dear Ones,

We send you greetings from our home to yours. This is our last report before we make it personally this summer. For over two months we had plenty of rain; more actually than we needed, but I know that in some states they wished they had our kind of rain. In some places here in one day, they had more rain than in a month, so therefore many crops are totally lost because of it. Sister Tabitha from the states, placed membership with us, she will be in Paris for her work in journalism for three months.

In these past three months, we have done lots of work on our building. The huge chimney which was made out of

asphalt was taken down. We replaced all the lead pipes in the kitchen, bathroom, and downstairs, replaced the old furnace which was 25 years old and installed new cabinets in our kitchen, because the ones we had were from the fifty's.

The plans are once we will be back from our trip we will work on our attic to make it into class rooms because the auditorium is at 90% of its capacity, so therefore by having class rooms upstairs we will be able to knock walls down and enlarge our auditorium by at least 50%.

The Lord's work is doing great! We had 2 baptisms the 27<sup>th</sup> of May. Bradley Kitondo and Jean from Haiti obeyed. Jean Christian Hacquard a Frenchman contact from our website 46 years of age, born in Nantes, France. He studied, lived and worked for 20 years in Paris, and is a computer engineer and has his own business in China and the Philippines and looking into opening another business in Paris. He left China to attend his mother's funeral in Bordeaux and on his way back to Nantes he stopped to visit and study the Bible with me, as he has been searching for sometime the truth and what I liked about this man, he is very serious about his search for God, and the one question he asked me, was "What would hinder me from being baptized Biblically"! I replied "Nothing except that you need to understand what is the cost to be a disciple of Christ.

I sent him a complete Bible course and will have Brother Stéphane Dédeyan correct his lessons and answer any questions he would have and baptize him eventually whenever he is ready.

So far this year through the church website, we had 4 good contacts from it. In fact between 3,500 and over 4,000 contacts from 63 countries visit our website each month. On June 23<sup>rd</sup> the Deodat Church will have their annual Bible Bowl based on the book of John. This coming July 25<sup>th</sup>

children from our congregation will be going to the Bible camps in Belgium and France.

Clement Djossou the jeweler will be going to his country "Togo" to visit his folks and we will start our Bible studies together once I return from our visit to the states.

Philippe and Rosa Herzoc, the former preacher of the Reformed Church of France that I mentioned in my last report, will be baptized in Geneva.

While we are in the States Brother Trémont will take my place and teach the adult Sunday Bible class and brothers will take care the English worship.

We are always thankful unto God for your all, as you continue to help us to spread the Gospel in the French world.

In His service,  
Roland Mohsen

Hello brother Holloway,

Greetings to you. Another Islamic militant sect has emerged in addition to the destructive one we have here. This one says their target is everyone who is not a Muslim. Keep us in prayers. No power is above that of Almighty God.

Grace and Peace,  
Tom
