Speaking Where The Bible Speaks; Silent Where The Bible Is Silent

August 11, 2013

REPORT FOR THE MONTH JULY, 2013 (TOM EK POT JR).

My very dear brethren, I salute you all in Jesus' name, giving thanks to God always because of you. Brethren, we are doing alright because God is with us at every front. Thank you all for all your prayers, especially for my son Goodnews, who has been ill in the last one month. Glad to mention that he is getting better, but comes down intermittently with different health challenge. The month of July just flew away without my knowledge. I was still having several things on my hands to deal with when the month ended. It was quite a busy one for me.

I was supposed to leave for two weeks evangelism outreach at the Federal Capital territory on the 6th, but I could not leave as scheduled because of my son's health issue. I was able to leave the following week to join my team that left ahead of me. We worked with Dawaki Church of Christ who

Campaign Team with Men's Class

invited us to come and help them. The team was made up of two of my students and I. At the end of the exercise, several studies were conducted and one person was baptized into Christ. One interesting thing that happened was

that those who came to work with us learned how to conduct studies freely. The Church has equally listed several biblical issues that they had questions. They wanted me to answer all the questions. We used two days to deal with all the questions. At end of the day, they were so happy.

On the 25th, I was scheduled to speak to Christian

Youth Class

youths who came from all the northern states of the Federation and beyond. It was a rewarding event as all the youths who came felt as they should continue the camp every month. On the 26th, that is the following day, I had to

leave to Abuja again to meet with some prospects. These studies were actually arranged by some Christians in the Federal Capital Territory. I met with some of them, and we agreed that we will do much of the rest of discussion on phone because of the distance. Please, keep praying for these men and women so that they will come to the knowledge of truth.

Campaign Team with a New Brother in Christ

The Congregations at Foron, Mazah and Toro are doing ok. At Foron, I have not been there for the last two weeks since I was at Abuja. However, the

Ring Road congregation accepted to send a family to be with them. I so much thank God for their assistance in that regard.

Please, don't forget to keep us in prayers as the terrorist sect has resumed its attack on innocent people in the Northern Nigeria. On Sunday, 49 were killed in a Village in Borno State, on Monday, 32 were killed at Kano. Who know the next place they are targeting? May His will be done. Have a great new month ahead.

Email from Nigeria (rec'd Aug 8, 2013)

Hello brother Holloway,

Greetings to you and the entire Ellabell family. At School of Biblical Studies, Jos, we have resumed for our first semester of 2013. Please, keep praying for us. Tomorrow is the Muslim celebration of their fast, already there are rumors that the untamed Islamic youth are going to cause trouble tomorrow. Please, do pray for us. Have a great day.

Grace and Peace,

Tom
