Dear Ladies,

This has been a very busy summer for me. A friend has gone on vacation and I have and am until end of Oct or longer: helping her care for her Mother, who is adorable but very forgetful. I've been going over every evening to fix her supper and sometimes eat with her which she likes. I also go on Saturdays for three hours and on Sunday after worship for an hour or so. I don't go on Sunday nights.

We have had visitors from GA., TN, and other places but were especially proud to have Warren and John Kirby in our home. We were happy that Warren got to go home and be with his Dad before he died. John has gotten married and am happy for him.

During their visit there were many strikes going on. Paris was surely slowed down.

I loved going to visit Noemi, the newborn of Pierre and Julienne, and being able to hold that precious child.

Had my studies with Amelie but she is on vacation now and they will resume in late October. Had also with Natalie but they will stop in August.

Am making an afghan and nearly finished for Sheila and Ricardo who will be married in August. I am making another one for Veronique and Ronnie who will be married in November. I haven't finished that one yet. I was able to give John Kirby one for a wedding present and also a small one for his little sister Rebecca. This is the crocheting. I also got a small one done for Eden who moved back to the U.S.A.

Will take a break from crocheting and do some needlepoint at my friend's house while we visit and I care for her as she has nice wide, and big windows that let lots of light in.

Happy to say Mark Kee is doing well and Timothy Dedeyan is being cared for and doing better. I was glad Roland could go to Bible camp and help out.

Several of our families are gone for vacation but will be back most of them in late August.

We were so sad to get the news that Sammy Flanary our beloved brother who baptized Roland in PA passed away. He was always such a good example for going around the world to teach and encourage others. We were able to sit in on a Bible study with him and Mary in Lubbock, TX on our last furlough in the U.S.A. Since we were not able to be at Sunset for his services I stayed up and followed it. Am thankful for new technology that allowed this. Our hearts go out to his family and the many he has taught.

Geodfroy lost his brother Remy also and we ask prayers for all the ones that have lost loved ones.

Thank you for all your help and prayers

Love you, Rose

Note from Tom in Nigeria (rec'd SEP 11, 2013)

Dear brother Holloway,

Today calls to memory the devilish acts of the cruel murderers who were led by Satan to commit the great evil against some innocent people in America, in the bombing of the twin tower and the world trade centre. The event is still fresh in my mind even though I was not there, but because it was the same week that the same kind of people pursued me and my family out of our residence in Jos, hunting for our lives

as a hunter hunts a deer. I join the host of sincere sympathizers to console the families of the victims and the entire America. I pray God will give us the grace to extend the gospel message of salvation to as many as we can, so that we will drag some souls out of hell into heaven. My love to the Church.

Grace and Peace,
Tom

Letter rec'd from Paris dated Sep 10, 2013

Dear Brethren,

We are writing to thank each and every one for the check received and greatly appreciated. A 32 year old man from Ghana is now a brother in Christ (Opok). He lives in Italy and is trying to relocate to Paris. Roland baptized him 3 Sundays ago in August.

I've been giving every evening but Sunday to make supper for a ninety year old lady. She is doing better since I go. Keeps me busy but a pleasure to help out the elderly.

Think of you all and pray so take care and thanks so much. Pray as I have a rheumatism crisis that has my shoulder partially blocked. Am on meds for it. God bless.

**Love,
Roland and Rose**

Email from Nigeria (rec'd Sep 18, 2013)

Hello brother Holloway,

Hope you, mom and dad, and the entire congregation are doing well. We are fine over here. The signs of the dry season are all manifest, as some shrubs start to bloom. At Toro, the Lord gave us five baptisms this last week. I will send the picture to you. Please, keep them in prayers as the denominations are already persecuting them for leaving their denominations. Say my greetings to the Church.

Grace and peace,

Tom
