Dear Ladies,

In the midst of troubling times that is facing France and the world, we are so thankful for all of you and the prayers being said! You that have send messages, cards, and phone calls of care and concern about our safety and concerns about the Church! We can only say "Thank you God for such a great family that is the Church". You have touched our hearts and we can say everyone is safe, but meanwhile we are very careful as we go out about our daily life. One of the people that bombed Paris parked the abandoned the car in the 18th not far from hospital where Rose Mary works, therefore, not far from us.

The Sunday right after the terrorist attacks, Roland called the police and they advised us not to have a Sunday worship. The Brethren

decided to have services as usual. We told all that once the worship was over not to hang around the building outside and everything went well.

Most shopping centers and even open markets are quite empty until now and business has been down. Even our Sunday evening worship has been down in attendance. We usually have several visitors from the States or other countries of the world, but since November 13th, rare are the visitors from other parts of the world. I believe it will be like this until France and other countries of Europe will feel safer.

We had the privilege of Rose's cousin, John Wilson visiting Paris and coming to see us. I saw he had come with facebook and contacted him whom had not seen for 40 years, as he came to Paris for his birthday and we had a great visit catching up with news. It was nice for us and I was glad he could meet Rose Mary and family too.

We had three young adults place membership with us, Keith from Chicago, Jennifer from California and Rachel from Trinidad. They are studying in France, of course we are always happy when young adults are here, even if it's only for a few months.

When we gain a few we also lose some, Allison Moyers left for the States back in June and her husband Nathan is leaving us this coming December. He has been with us for more than ten years and was my most reliable song leader for all this time. We sure are going to miss him a lot. I am trusting that God will send us someone like Nathan to take his place.

On the 11th of November Roland went to Lille for the annual retreat of the Churches of the North, more than twenty from the congregation went, altogether we were 85 present, and it is always pleasant to see brothers and sisters which we not seen for a whole year and for some of them longer than that.

Pray that Edwige, Marilyn, Mr Lorzach, Florentine, Jordy and others in Bible studies will change their hearts and obey the Lord. I was able to share one of our church booklets with my friend Huquette Kohn and hope that she reads it and we can talk more about the Lord. I still have English studies on Saturday mornings with Malika, Lina, Camelia, and Lamia. Thanks for all your prayers for all of these and us.

Several of our members have been traveling because of deaths in their family and some are to visit their families in December. We were to go to Franc and Liva's but because of blocked roads for all the leaders of world nations and meeting in Paris, we had to cancel that study with them for that date. We are thankful to be in contact by phone.

I still go and babysit the girls for Rose Mary while she works usually on Monday, Wednesday and Friday. I go other days if Rose Mary

has a doctors appt. or meeting with schools etc. I still take the girls to their extra class on Monday evenings and usually wait and crochet or go see my friend Huquette for about 30 minutes as we usually have tea and a good visit. I've been able to crochet some pillows, mittens, scarves, headbands and shawls for gifts for Xmas. Still have more to do and not much time to do it in.

There were 650 Bible tracts taken in the last two months! We had in October 5,549 visits to the website from 81 countries and in November 6,235 visited from 76 countries. We are thankful for those that are interested. Our church website has lots in English too, so check it out the site! Church website: www.egliseduchrist-deodat.com

We just heard that we will lose another \$1,000.00 per month of our support, which it will bring a total of \$3,500.00 per month loss of support for 2016. We are trusting that God will provide. We want to express of deep gratitude for all of you that are praying for our safety and are continuing to support us Spiritually and financially. May God continue to richly bless you with good health as you walk with the Lord daily.

 **Happy All holidays and New Year coming soon from your Rose in Paris. You all are in my prayers too!**
