Dear Ladies,

I hope this finds many of you well as many are sick here and I've heard the same from the U.S.A.

My English studies are going well with the Bakir children and their Mother even lets them alone with me now.

Irina will be back with us in February as she is to get a job in Paris. She will have to find an apartment.

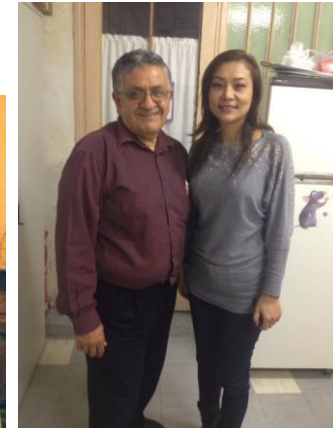

Notice the picture report this month. We were proud to be with Heber and Jeff Taylor as Heber got his medal. (Legion of Honor)

The picture here is of l to right Rose, Madeleine, Stiven, and the Kern family at our place for a meal together.

Seven Facts of Creation  
By David McDonald

In this article, I am providing seven facts of creation that have been outlined in *Brad Harrub's* book, *Convicted*. Included with each of these seven facts of creation are verses from the rest of the Bible validating the inspired record of the accuracy of the historical information provided to us by the Holy Spirit in Genesis chapters 1-11. I wanted to take this opportunity to again lay out the facts and provide the sampling of verses in writing for your own personal study.

1. **God created everything** (Gen. 1:1; Ps. 33:6,9; 19:1; Acts 4:24; 17:25; Col. 1:16; Heb. 1:2; Jn. 1:1-3).
2. **God created everything in six literal 24-Hour days** (Gen. 2:3; Ex. 20:11; 31:15-17; Jos. 10:14)
3. **The Bible indicates that man has been here since the creation of the world** (Mk. 10:6; Matt. 19:4; Rom. 1:20)
4. **The Bible indicates Adam was indeed the first man** (1 Cor. 15:22, 45; Rom. 5:12-14; 1 Tim. 2:13)
5. **The Bible gives the genealogy from Adam (literal man) to Christ** (Gen. 5; Gen. 11; Matt. 1-17 {Joseph}; Lk. 3:23-38 {Mary})
6. **The Bible demonstrates the need for redemption and a Savior** (Gen. 3:15; 1 Jn. 5:11-13; Heb. 6:19-20; Col 2:13-14)
7. **New testament writers believed that Genesis 1-11 was historically accurate** (All eight of the New Testament Writers quote from the first eleven chapters of Genesis. Jesus Himself quoted from the first seven chapters. All of the NT Books except Galatians, Philippians, 1 & 2 Thessalonians, 2 Timothy, Titus, Philemon, and 2&3 John) quote from the first eleven chapters. That is seventeen out of twenty-seven books.

Yes, the content of Genesis 1-11 is literal and is a basis of our belief system as it relates to the rest of the Bible. The record of the rocks becomes a tremendous witness, NOT to the operation of a naturalistic, universal process of godless development and progress, but rather to the holiness, justice and power of the living God of creation!
