Dear Ladies,

Please do not use the email rolandrose@wanadoo.fr as we can receive there but can no longer send out. The above emails are the ones that I can receive and send from. Thank you. A new one for Roland is rolandmohsen@yahoo.com but I will probably answer the emails the quickest. Mine are yourroseinparis2003@yahoo.fr or Yourrose2009paris@gmail.com The Church website is www.egliseduchrist-deodat.com

Telephone when in Paris is 01 42 6714 25 and the number and how it is dialed from the U.S.A. is on the top right of this letter.

Time has flown these months and I can hardly believe that Fall is here. I hope that this finds all of you doing well. Roland is doing much better after pneumonia and I am doing better after bronchitis. It will soon be time to get the flu vaccinations. Lily Rose is better from her bronchitis and Gabrielle from her cold. They and their Mother are to go see an ORL in Oct. Rose Mary is to try to get hearing aids for her 50% hearing loss.

I had the visit of Chengsee Audrey Geh as she traveled from another part of France on her way back to Canada. She had visited and stayed in our home 23 years ago and found my name on Facebook and we got back in touch. She told me that I had given her a book that had changed her life. *A Change of Habit* was the name of the book I had given her after we studied the Bible together. She has wanted to become a nun and did not. She stayed one night with me while Roland was gone.

Stephen and Pauline McGachy from Scotland worshipped with us and we invited them for a meal and had a great visit. Daniel and Tammy Frerot ate with us with the Dedeyan family the weekend they were here. We had a nice visit.

We had a nice visit with Rose Mary and Manu and family while we spent a week in Vendee and saw a village that old cars, old games like fair games, and people were dressed up in old-fashioned dresses and many occupations were illustrated too. We were able to pick up shells and glass from the Sea and we even found cuttlebone for my birds from the Atlantic Ocean.

Daniel and Tammy brought me a lovely basket from Alsace their region of France for my 62nd birthday. Sept 17th Denise and I went out together to eat at a cooking school next to Rose Mary's place and had a nice evening. The service there is great as the students are being graded and the food delicious. Roland bought me an orchid and Rose Mary had a meal and cake at her house with us and Denise. Colette Attia got me a Hibiscus bright red in color and Amelie bought me a water fern.

My studies continue with Cyndi, Amelie, Natalie and Denise in English. Kedeline and I are still studying on *The Devil and His Angels* but this is in French. It is her Mother Nodia who has cancer so please keep them in your prayers. We also in Sept had studies with Franc and Liva at their home.

We have been getting alot of rain and some places in France are flooded and some have a water shortage

Thank you all for your prayers and help in all ways, financially and for your cards and letters .
