ELLABELL CHURCH OF CHRIST

Speaking Where The Bible Speaks; Silent Where The Bible
Is Silent

October 23, 2011

SIMON SEPTEMBER REPORT.

Dearest Beloved In Christ,

I hope you are all well by the grace of our heavenly Lord.

We thank God generally for his mighty hand upon our congregation, especially:

IN OUR MINISTRY ACTIVITIES.

We have now a new responsible person for the youth ministry (brother Benoit) who replaced Brother Gerard my former coworker as he was recommended by the brethren to go and help the Ngouso congregation which we followed up the during the past 5 months. We hope, this help would be more effective than our former rotation strategy. Both congregations were very thankful to God for that orientation.

Besides, the teaching ministry has known a little change by becoming a men ministry instead, due to the departure of most of those who were working to other places. And Brother James who replaced me is now the responsible for it.

The women ministry did not have any change just that they are preparing themselves for the women seminar on the 14th of October until the 16th which will be held in Douala (in Cameroon).

THE FAMILY MEETING

I still go on with the Monday cession prayer and bible study with my family (aunt's cousins, niece...). They are more opened and we pray God to continue to work within their hearts.

THE HOUSE REPAIR

We have just concentrated the work on "pulsar" that was broken (which was not on our list) suddenly on the surface and became a danger for the children who usually play around. The previous remaining work is over. We just have now to put the painting on the walls.

OUR FAMILY LIFE

We thank God as he helps us not to lose our focus on our Lord after the death of our baby several weeks ago. Sister Nadege however delivered the 36 weeks dead baby without any surgery. Our two boys Moses and Daniel were a bit confused asking why they lost their two brothers and we replied to them gently that they are in heaven waiting

for us if we will be faithful, nor being against God will, neither

arguing with Him on His decisions.

This is Nadege picture after the lost of the baby

The good news is that Moses arm after the last x ray is much better and God willing, in 2 weeks they will be removing

the iron inside his arm and the medical plaster.

THANKSGIVINGS AND PRAYER REQUESTS

We sincerely thank God for His mighty hand upon us and His service, and appreciate all what you are being doing to us that we cannot all list. Thank you for your phone calls and your heart fillings. We do thank you for sustaining my family financially so that we can be able to serve God effectively. Please continue to pray Our God to give us strength and wisdom and to protect His work. May He grant you whatever is necessary for you to continue His service effectively. To Him be the glory.

Simon

Brother Simon works with the French speaking population of Cameroon. Every time I read his messages I am struck by how much better his English is than my French. -Joe
